SOLID NATURAL LOOK TRAVEL CUP WITH BAND

Design inspired 350ml reusable coffee cup that has an incredible story to tell. It is manufactured from a 50/50 blend of natural rice husk fibre and BPA free polypropylene. Rice husk is a waste product with little value and the agricultural industry often dispose of it by burning which creates air pollution. Using it to make a reusable coffee cup reduces the amount of plastic, accelerates its biodegradability and produces a trendy natural look. It has a heat resistant silicone band and a secure screw on lid with a splash proof flip closure. The flip closure and band can be mixed and matched in any colour combination from the colour palette. Handwashing is recommended.
